1. Page E-7, line 16.

Following: "of"

Strike: "a teacher loan forgiveness"

Insert: "an educator loan assistance"

- END -

Explanation - The language appropriation that is being amended in this technical amendment refers to a teacher loan "forgiveness" program, while the proposed legislation (SB 2) that creates this program refers to the program as an educator loan "assistance" program. This technical amendment corrects the HB 2 reference to the new program created in SB 2.
